

Exclusive use of Ghan House

The unique aspect of Ghan House is that you can have exclusive use of the whole house & gardens ~ which means, no other guests apart from your own!

We have beautiful views of Slieve Foy, the Mourne Mountains & Carlingford Lough - from the gardens, all the public rooms & bedrooms. In addition we have 8 ft high stone walls enclosing the gardens, adding to the privacy & uniqueness.

Most of the weddings we have are between 40 to 110 with extra evening guests. However, the most our drawing room will hold is 55 guests. If more than this, then we use the ballroom and/or the ground floor dining room.

The easy layout of the house and the fact that you have taken us over for the day actually makes for a more sociable environment rather than just one big function room.

Have a look at the independent web site www.weddingsonline.ie for some informal, unbiased reviews from brides who have been married here. And on [You Tube](#) – search for [‘Helen and Youssef’](#) and [‘Finola and Paul’](#)
